Re: Questions about Specifications

### Addendum No. 1 to IFB 13-29

---

The City is issuing this addendum to IFB 13-29, Video System Expansion & Upgrade, to address the changes in specifications and to answer questions regarding the bid.

**Question #1:** How many cameras need adjusting at the Capuano School?

**Answer #1:** a total of 8 cameras

**Question #2:** Is this work to be done on regular time (7-330) or will this work have to be done "after-hours", when the schools are not occupied?

**Answer #2:** all work is to be done on Non school hours

**Question #3:** Is all software, licensing & labor for same to be included in the cost? This appears to include Honeywell EBI, Honeywell DVM, Honeywell Video Storage & workstation licenses.

## **Addendum No.1, IFB 13-29**

**Answer #3: YES. All equipment must be compatible with the existing Honeywell system, all camera types in the bid package must be used so that they will be compatible with the existing system in the buildings.**

**Question #4:** Where network runs are long will it be the contractors responsibility to supply devices to extend the cabling? Some network runs appear to be longer than what is permitted

**Answer #4: YES. It will be the awarded contractor's responsibility to supply the proper devices to extend the cabling.**
